Réal

This outfitter in St. Zénon, was established in 1928 under the banner of «Hunting and Fishing Club Léonard Bellerose». In 1986, May 2nd specifically, Réal Massé acquires it. On January 17, 1987, tragedy strikes as Réal's outfitting acquired six months earlier, is completely destroyed by fire. Réal must be hospitalized due to injuries. On his release from the hospital, he begins the construction of its new inn and cabins. He must act quickly, as it is February and they must be ready for the fishing season, which begins May 1st. A feat worth mentioning is achieved when, after 10 weeks of hard work, day and night, Réal and his team are ready to receive customers, on May 1st 1987. Since that day, Réal is constantly improving its site to make your stay «Au pays de Réal Massé» the most enjoyable. Today, «La pourvoirie Au pays de Réal Massé» has become the largest and most coveted in the province of Québec.
